Our Vision

“Service of humanity is the greatest piety. We believe that true excellence in education requires a commitment to equity and social justice. We envisage a system of education that awakens and develops instinctive human faculties under the luminosity of divine grace and guidance. We strive to prepare creative, culturally competent, critically reflective graduates who possess deep knowledge in their fields of study and work collaboratively to achieve service come together in our students to foster a lifelong commitment to the autonomous expedition for excellence and impartiality in our learning department and society.”
“our mission is to design and apply a prospectus related with the teachings of the holy Quran projected to integrate our understanding of God, the universe, and our own human nature. This prospectus would provide supreme opportunities in breadth and depth for the total and balanced development of every student in every sphere of learning—spiritual, moral, imaginative, intellectual, emotional and physical—directing all these aspects towards the attainment of a conscious relationship with the divine, the ultimate purpose of man’s life on earth. ‘We collectively ensure environmental and social justice, human dignity, and respect for human rights and peoples’ right so as to secure sustainable community grounded in the rich traditions of the liberal arts and social sciences, the Departments of education prepare students to take responsibility for citizenship and service in the global community. This preparation takes place in several ways. The Departments of education prepare students to take responsibility for citizenship and service in the global community. This preparation takes place in service ways. The department seeks to develop future teachers who are not only well-educated in their disciplines, but are also culturally responsive, caring, and knowledgeable in their interactions with students and their families. “The programs designed to equip them with the necessary skills well-informed, critically reflective, participatory citizenship and service in the society and country.”
Introduction

Like people and nations, an organization may best be known by its history. Shiblee College of Commerce was established with the objective of providing quality education and training in the field of commerce. Shiblee College is one of the civic colleges. It is widely recognized for high academic achievement and has a long established international reputation for research and training.

An exciting choice of courses is an offer ranging from traditional subject areas. As a result SGC is able to offer a broad range of opportunities including courses that reflect the needs and wants of prospective employers. Our college offers a range of educational opportunities spanning the diverse rang of professions. It offers students and graduate, entry into a vitally important range of professions that will prove stimulating and offer ample opportunity for career development.

The pioneering spirit and steadfastness of the founders of SGC is reflected in its richly earned traditions of excellent and unending service of the huge success. Since its inception in 1988, it has gradually grown in size and has accommodated a large number of students giving them a sense of direction in a world that lacks direction.
SHIBLEE: A word with in a world

Societies and civilizations that resist change write their own epitaph. To be useful and equal partners in the new world order of the twenty-first century, it is imperative that Pakistanis acquire professional standards. At our institutions we help you enrich your professional life under the supervision of highly qualified faculty, constantly updating educational standards in an environment of the finest physical and academic facilities. Within a short span of time a large number of students began flocking the college from every niche and corner of the country for their potential careers. The constant influx of the knowledge-seekers forced us to initiate more campuses in the vicinity and by the infinite blessings of “Allah Almighty” SHIBLEE at present is running six spacious campuses in Faisalabad. They provide education in various disciplines in keeping with the changing trends of the world. Our mission is to generate an environment conducive to innovation where the teachers and the students are involved through analytical and logical modes in the quest for knowledge, thus opening new vistas of enlightenments and service to mankind. Our commitment is to provide students a challenging learning environment to enable them to prepare themselves for a rewarding and fulfilling career in their chosen field. At the same time we endeavor to inculcate a sense of social responsibility through all of our programs. If you are looking for an intellectual challenge, I encourage you to be a Shiblian.

Prof. Ch. Muhammad Hanif
Chairman
Shiblee Group of Colleges
I congratulate this comprehensive and progressive network of Shiblee Group of College for providing quality education in conformity with internationally accepted educational standards in the field of Commerce, Computer Sciences, Business Management, Science and Arts. The zeal, keenness and sincerity of purpose on the part of administration and the highly qualified staff have made Shiblee a seat of learning.

Peaceful and politics free atmosphere, regular classes, competent and dedicated teachers, enviable discipline and academic results distinguish Shiblee Group of Colleges from other educational institutions. SGC not only imparts quality education but also shapes the personalities and makes them enviable citizens who may be hopefully trusted with any job of responsibility in life.

A student may be talented but unless his talent is spotted groomed and shaped, he cannot achieve the heights of success. Kind and well-qualified teacher, peaceful environment and exemplary discipline make it possible for the students to achieve their required aim. Realistically, SGC is fulfilling the educational and cultural demand of the students in a befitting manner. Shiblee Group of colleges a learning seat for future business learners.
There is no exaggeration in saying that Shiblee Group of Colleges (SGC) is a symbol of discipline, education and quality education. I chose SGC for the education of my son based on the reputation of the college of providing true market leaders to the society through him parting quality education service to its students, personality building through modernized study methodologies and I, with utmost happiness, accept that the college lived up to its reputation.

Commendable atmosphere, laudable services, comfortable class rooms, praiseworthy teachers, enviable coaching, co-operative management, enjoyable co-curricular activities, scholarships for the talented students & special financial assistance for the deserving once are the hallmarks of Shiblee Group of Colleges.

It goes beyond any shade of doubt that SGC aims at disseminating moral as well as secular education to those teeming millions of the city who are struck up in the quagmire of ignorance. The group has shown remarkable results as its students have clinched distinctive positions in Board as well as University Examinations in the recent years.
We do
THEY SAY

Unquestionably the best in the field of Business Administration, Science, Commerce and Computer Science, Shiblee Group of Colleges really deserves my heart-felt felicitation on fulfilling the dire need of an entirely separate college for girls. Peaceful. Politics free atmosphere, highly qualified teaching staff and enviable discipline are the assets of this institution.

Syed Mumtaz Hussain Shah
Chairman, BISE FSD

It is a matter of great repute for me to say that Shiblee Group of Colleges has made a tremendous progress in achieving an ideal position in imparting quality education and showing excellent results through sheer devotion and dedication of its well-informed management and qualified teaching staff.

Ch. Muhammad Mushtaq

Shiblee College for Women

Madina Town Campus
It is impossible to think of institution building and social progress without a clear vision which comes through innovative ideas. Great ideas are given by the intellectuals who are the product of great educational institutions. SCW is one of such institutions, the producers of people of great ideas. SCW stands towering among comparable institutions in providing an education of a high class at intermediate & higher levels offering its students opportunities for overall development in a disciplined and peaceful environment. We are committed to make ideals of liberal education, valuing knowledge and learning for its own sake as well as for the cultural, social and economic benefits it offers. We focus increasingly on learner centered approach to education and the fostering of research activities. Our plans embrace three additional strategic directions, institutional collaboration, international linkages and open learning that increases flexibility and interaction and extend the college's reach.

Education is generally thought of as including everything that shapes the human personality, so curriculum activities are always an integral part of education. They help in molding the character of the students. SCW regularly arranges programs for the healthy development of mind and body other than the regular studies. SCW library provides its as conduction not only to academic but also change, we manage cleanliness climatic, prompt accessibility as well as healthy air conditioning. Hostel & transport facility is provided for the ease and comfort of the students.

A beautiful building is constructed to accommodate approximately 200 students. Hostel rooms are spacious and made for comfortable living. SCW provides pick and drop services to facilitate the students. Our achievements assert the authenticity of quality education we impart.

Shiblee College for Women

Gulberg Campus
"An Educational Institution is a building with four walls around and a bright future inside." It goes beyond any shade of doubt that SCCW Gulberg Campus has leapt into immense fame ever since its establishment. 21st Century is an age of fact-collectors. The prime and principia purpose of the existence of Shibli College is to disseminate secular as well as spiritual education to those teeming millions who are stuck up in the quagmire of ignorance. The college is quite committed since 1997 in preparing such ladies as are broad-minded, confident, talented, assiduous, workaholic and accommodating to carve a place of honour, eminence and glory for themselves for their parents and their country. The college has been playing its cherished and coveted role of catering to the academic needs of the students who want to be cared for, taught and trained in the most congenial and disciplined atmosphere.

SCCW Gulberg Campus, by the grace of Allah, is a top-notch institute in the educational arena of the city. It is putting up commendable efforts for those who want to embark on educational brand wagon. The campus is situated just at a short distance from the University of Agriculture. The elegant facade of the building leads to its serene and peaceful inside. College library is spacious and packed with hundreds of valuable volumes. Computer and Science labs are fully air conditioned and equipped with latest paraphernalia. The IT department has been working assiduously with the latest network comprising modern hardware and software. Our college claims to have highly qualified and seasoned teaching staff fully aware of the challenging technicalities. Audio video system of teaching with overhead projectors is a salient feature of this institute. For the promotion of purely commerce based education, this college has had a distinctive mission that sets it apart from other colleges in Faisalabad. It is readily accessible and affordable college designed to serve the times and nation's need for competent and caring human resources. Shiblee College for Women

Narwala Campus
Shiblee group of Colleges believes in dynamic evolution, which focuses female education not only in the city but for rural youth also. Gender discrimination is still a very vital factor which hinders female exposure to quality education. Keeping in view this dire need “Shiblee Group of Colleges” chose a remote area to spread the message of Allah i.e. “TQRA”. We believe our youth especially girls from rural background has and facilities. Shiblee College for Women Narwala Campus has been established.

Situated in the countryside, it cherishes very modern educational phenomenon. A large area of 8 Kanal covers spacious and ventilated class rooms, Hifi equipped computer labs, volumes loaded library, Science labs with latest accessories, canteen with hygienic snacks and refreshments, very sacred, prayer place and a big sports ground with complete paraphernalia.

Highly qualified and trained faculty has been selected to impart standard education to Intermediate, Graduation and Master level students. The warm Welcome by the people of adjoining rural areas, one again is an inspiration for us to shape the personalities of our young scholars according to golden heritage of Islamic values and to prepare them to cope with the complex challenges of modern era.

Shiblee College

Sahiwal Campus
Education is undergoing great changes merging with the information super-highway. Innovations in communication enable the educational sector to extend its realm in providing education to a wider range of students.

Shiblee Group of Colleges is providing a wide range of learning research and knowledge transfer opportunities for its learners. The main logic to establish our Sahiwal campuses is to advance new ideas and promote enduring knowledge. I am especially enthusiastic about our campus-wide facilities provided to the students and our commitment for efforts to enhance these facilities so that institute’s academic programs make ever stronger and more meaningful. The group has shown remarkable results as its students have clinched distinctive position in Boards as well as University examinations in the recent years. There is no exaggeration in saying that Shiblee Group of colleges is a symbol of discipline, education and ideal morality.

The constant influx of the knowledge seekers forced us to establish new campuses in different areas. In our institutions, we help you enrich you professional life under the supervision of highly qualified faculty, constantly updating educational standards in an environment of finest physical and academic facilities and at the same time, we endeavor to inculcate a spirit of social responsibility through all of our programs. We are committed to pave such channels where our knowledge seekers can easily acquire their aims. Keeping in view the ever increasing demand and trends of professional education for boys and girls, we established Sahiwal campuses where we are providing facilities for preparing enviable professionals to promote an excellent community.
Chartered ACCOUNTANCY

CCP - A Gateway to Professional Education

Shiblee Group of Colleges is imparting quality education in the field of Arts and Science. In 1995 we introduced classes of Chartered Accountancy in collaboration with College of Commerce Professionals, an institution approved by the Institute of Chartered Accountants of Pakistan. Under its new scheme for the students who want to enter the Chartered Accountancy profession (after passing their intermediate or A level examination), the college is conducting two year Modular Foundation Course enabling the student to take up CA Foundation examination and CA Intermediate Examination of the Institute of Chartered Accountants of Pakistan. After CA Intermediate examination of ICAP, students are required to undergo three years practical training with the Chartered Accountants firms and take up the professional examination of ICAP, to become a Chartered Accountant. MFC Classes are being conducted with full devotion. All the professional subjects are taught by the qualified Chartered Accountants or the persons having specialized professional skills in their respective subjects. The College results in ICAP examinations, the percentage of successful students range between 50% to 90%. The College of Commerce Professionals is also successfully conducting the coaching classes for Foundation In Accountancy (FIA-UK) and Association of Chartered Certified Accountants (ACCA-UK). The UK based qualifications recognized world over. Faculty members in ACCA department include qualified ACCA’s with adequate teaching skills and experience. ACCA and FIA students are showing excellent results even 100% with worldwide positions.

Computer LABS

There are fully equipped and modern computer labs for the students in each campus. The computer labs have been fully renovated and modernized. There are approximately sixty computers in each lab. Each campus is also connected to the local Area Network, Internet facility is also available and has been extended to the Computer lab and the Classrooms.
Library and information services play a key role in supporting independent learning. The reading rooms of the libraries are completely air-conditioned to provide a comfortable environment for students.

Library in each Campus contains a useful collection of over 5000/- volumes on a variety of subjects such as Accounting, Commerce, Economics, Finance, Management, Statistics, Computer Science, English and Urdu literature, fiction, and other related fields. Each library has built a special collection of textbooks, reference books, general books, government publications, serials, scientific literature, newspapers, and magazines.
Science Laboratoires

Laboratories in various departments are well equipped, pleasant and spacious. They are fully air-conditioned to make the environment comfortable and pleasant. There are separate labs for Physics, Chemistry, Biology and Stat etc.
Class Rooms

Shiblee Group of Colleges recognizes the need of congenial physical environment for the better quality of education. All the classrooms of the group are air conditioned in order to enhance the effectiveness of classroom lectures and discussions. Modern sound system has also been installed in all the lecture rooms. Multimedia projectors are also introduced for class presentations.

Seminar Rooms

There are also seminar rooms in all the campuses of this group. Each seminar room can accommodate fifty people. They are comfortably furnished. They have also been equipped with a multimedia projector.

Examination System

At the end of every month the evaluation tests are conducted. The result of every monthly test is prepared to the 5th of the next month. Up to the 10th of that month. The result can be checked through website. Two comprehensive exams in one year are conducted on comprehensive exams in December is held pre-board exams are conducted at the end of March. (It is Compulsory for all the students to appear in the exams. Otherwise a heavy fine will be charged.) The exact dates of exams will be announced by the college authorities.
College Magazine

Every year a bilingual (English & Urdu) magazine “SHAOOR” is published. The publication is an effort to give the students a chance to express themselves. It showcases their thoughts ideas and diverse creative talents. It contains articles related to Business Finance, Economics, Islam, ethics and other relevant fields. In addition to these, short stories, poetry and general articles provide aesthetic satisfaction to the readers. The magazine is in fact, a source of pride and personal achievement for the students and the faculty alike.

Website & E-mail

It is decided to manage the official website of Shiblee Group of Colleges. It will be regularly updated for the latest information and result of the students. Students and parents will be able to check the attendance, results and the status of the students. www.shiblee.edu.pk

Counseling & Guidance

Counseling and Guidance service provides support to students and can help with study skills, including how to learn more effectively, charting progress and making decision about future learning needs. The service is based on equal opportunity principles and delivered by suitably trained and experienced staff.

Hostel & Transport Facility

Shiblee Group of Colleges has facilities to accommodate the students. Each campus has an independent hostel. Resident students are provided furnished accommodations. Telephone lines are provided to every hostel. Each hostel has independent mess. Very experienced wardens are appointed to manage the affairs of the hostel. The hostels are modestly equipped with all the basic facilities. To pick & drop the students, transport facility is also available at very economical and reasonable rates.
