—•—•—•—•—•—•—

My young friends, I look forward to you as the real makers of Pakistan, do not be exploited and do not be misled. Create amongst yourselves complete unity and solidarity. Set an example of what youth can do. Your main occupation should be in fairness to yourself, to your parents, in fairness to the State, to devote your attention to your studies. If you fritter away your energies now, you will always regret.

# INTRODUCTION

SHIBLEE Group of Colleges was established in 1988 with the object to promote commerce education and enhance the basic skills of the students in different walks of life. It has gradually increased in size and attracted a large number of students from different areas all over Pakistan.

At present Shiblee Group of Colleges has many campuses in different cities to facilitate male and female students to quench their thirst of knowledge. We have launched a modern education system by affiliating with different universities. The atmosphere at all the campuses is purely educational. They are run under the patronage of an educationist who has life long experience in education. All the campuses are well furnished and air conditioned.

The libraries, laboratories and computer labs are up to the latest standard of modern education. Furthermore all the campuses are located in the main areas where students have an easy access. Here students have the opportunity to pursue their intellectual curiosity and acquire the habit of mind which will enhance their experience of life and make them a useful citizen.

Due to ever increasing popularity and demand SGC has started to offer franchises of colleges and schools over the Punjab.

## VISION

“SGC will provide excellent educational opportunities that are responsive to the needs of the community and help students meet economic, social and environmental challenges to become active participants in shaping the world of the future.”

# MISSION

“To transform the way people think and do things through education, research and service.”

# OUR VALUES

COLLABORATION  
RESPONSIVENESS  
EXCELLENCE  
INNOVATION

# CHAIRMAN'S MESSAGE

I extend a very warm welcome to all the readers, especially to aspiring students and their parents, at the time of our new admissions. We are committed to impart quality education through an environment conducive to learning and teaching. We induce and inculcate high moral values, sense of civic responsibility and inquisitiveness amongst our students. Our research focused teaching makes certain that our students receive the highest quality education. It includes "knowledge, skills and attitudes". Shiblee's uniqueness is the strong emphasis it places on academic excellence, coupled with its profound stress on the importance of service to others as a meaningful way to develop values that will enrich the world. Indeed, whether your interest lies in business, science, or the humanities, you will find at Shiblee, a comprehensive center of learning technologically on the cutting edge, internationally connected in terms of curriculum, and moving toward a diversity that reflects the realities of our world. Shiblee is a vibrant centre of quality, dedicated to provide value education in various fields, in accordance with the specific developing needs of our country. With new facilities, new faculty, and new students, we offer a unique opportunity to do many things differently from others. Our success so far has been the result of superb team effort by active scholars and teachers, caring and committed staff, and hardworking and exceptionally motivated students. We intend to

# SHIBLEE COLLEGE FOR WOMEN

It is impossible to think of institution building and social progress without a clear vision which comes through innovative ideas. Great ideas are given by the intellectuals who are the product of great educational institutions. SCW is one of such institutions, the producers of the people of great ideas. SCW stands towering among comparable institutions in providing an education of a high class at intermediate and higher levels offering its students opportunities for over all development in a disciplined and peaceful environment. We are committed to make ideals of liberal education, valuing knowledge and learning for its own sake as well as for the cultural, social and economic benefits it offers. We focus increasingly on learner centered approach to education and the fostering of research activities. SCW regularly arranges programs for the healthy development of mind and body other than the regular studies, SCW library provides its as conduction not only to academic but also change, we manage cleanliness climatic, prompt accessibility as well as healthy air conditioning. Hostel and transport facility is provided for the ease and comfort of the students. A beautiful hostel building is constructed to accommodate approximately 2000 students. SCW provides pick and drop services to facilitate the students. Our achievements assert the authenticity of quality education we impart.

## SHIBLEE COLLEGE FOR WOMEN

"An Education Institute is a building with four walls around and a bright future inside." It goes beyond any shade of doubt that SCW Gulberg Campus has leapt into immense fame ever since its establishment. 21st Century is an age of fact-collectors. The prime and principal purpose of the existence of Shiblee College is to disseminate secular as well as spiritual education to those teeming millions who are stuck up in quagmire of ignorance. The college is quite committed since 1997 in preparing such ladies as are broad-minded, confident, talented, assiduous, workaholic and accommodating to carve a place of honour, eminence and glory for themselves, for their parents and their country. The college has been playing its cherished and coveted role of catering to the academic needs of the students who want to be cared for, taught and trained in the most congenial and disciplined atmosphere. SCW Gulberg Campus, by the grace of Allah, is a top-notch institute in the educational arena of the city. It is putting up commendable efforts for those who want to embark on educational band wagon. The campus is situated just at a short distance from the University of Agriculture. The elegant faced of the building leads to its serene and peaceful inside. College library is spacious and packed with hundreds of valuable volumes. Computer and Science labs are fully air conditioned and equipped with latest paraphernalia.

**Mohammad Asif**

My young friends, I look forward to you as the real makers of Pakistan, do not be exploited and do not be misled. Set an example of what youth can do. Your main occupation should be in fairness to yourself, to your parents in fairness to the state, to devote your attention to your studies. If you fritter away your energies now, you will always regret.

In my opinion our youngsters are our assets. As a part of shiblee group of colleges our highly qualified professor's are working day and night to create a dynamic learning environment. I welcome to the student's, parent's and all other sections of society in our journey towards nation building.

Your well wisher.

# RULES & REGULATIONS FOR BS PROGRAMS

## ADMISSION CRITERIA

All the admissions will be made according to the admission policy given in the prospectus.

## DURATION OF SEMESTER FOR REGULAR EDUCATION

There shall be 2 semesters (Fall and Spring) of 18 weeks each in an Academic Year, followed by a summer semester of 8 to 10 weeks. The commencement of semesters shall be regulated by the Academic Council.

(Explanation: Out of 18 weeks of a semester, 16 weeks shall be actual teaching time; the rest may be utilized for enrollment, conduct of examinations and declaration of results, etc. and likewise Out of 10 weeks of a Summer semester, 08 weeks shall be actual teaching time; the rest 02 weeks may be utilized for enrollment, conduct of examinations and declaration of results, etc.).

## CREDIT HOURS FOR UNDERGRADUATE AND GRADUATE DEGREES

A credit hour means teaching/earning a theory course for one hour each week throughout the semester.

One credit hour in laboratory or practical work/project would require lab contact of two to three hours per week throughout the semester. The credit hours are denoted by two digits within brackets with a hyphen/plus in between. The first digit represents the theory part while the second (right side) digit represents the practical.

Thus 3(3-0) means three credit hours of theory, while 4(3-1) means a total of four credit hours, of which three are of theory while one credit hour is for laboratory/studio work/field work/practical work supervised as mentioned above.
